

2008 – 15 Australia District Growth Program

Dear Member,

Please support the Kiwanis Australia District Growth initiative and nominate a person from your community who would be a valuable new addition to your club. Join the campaign to [just add one](#).

Consider your local Doctor, Dentist, Pharmacist, Bank employee, Newsagent, Real Estate manager, Local Government representative or local Trader. Consider everyone. They all deserve the chance to be Kiwanians and to help us change the world one child and one community at a time.
