President Louis

This will be just a short report to wish you all the very best for the festive season and the coming year. The weather this morning (Saturday) looked very ominous. I do hope the weather is kind to us because of the hard work Kiwanian Gloria and her committee have worked to have the Carols another great success.

On Wednesday I attended the funeral of Murray Brown who, as most Mooroopna Kiwanians would know, was one of the Shepparton Kiwanians who helped our club.

See you all on Sunday and then at Past President Jim and Nola's for our Christmas meeting on the 18th.

Yours in Kiwanis

President Louis

Humour Department

These are not Christmas related, but who cares, still funny.

The 50-50-90 rule:

Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong

A man is recovering from surgery when a nurse asks him how he is feeling. 'I'm O.K. But I didn't like the four-letter-word the doctor used in surgery,' he answered.

'What did he say,' asked the nurse.
'OOPS!'

Q. What goes bump in the night?

A. A woman sleep parking

In the '60's, people took acid to make the world weird. Now the world is weird and people take Prozac to make it normal

Tips of the Week

1. You only need two tools in life - WD-40 and duct tape. If it doesn't move and should, use the WD-40. If it shouldn't move and does, use the duct tape.
2. Remember - Everyone seems normal until you get to know them.
3. If you can't fix it with a hammer, you've got an electrical problem.

Merry Christmas and Happy New Year
