## Grocery raffle News

As you can see we have already banked over \$1000. Murray has been able to book Friday 31st March at IGA Fairley's Shepparton. Thanks Murray. We will need labour to man this stall so be prepared to make the effort when we call for volunteers at this dinner meeting.

Efforts are being made to book sites at the Ardmona Factory Sales in Mooroopna. Let us all keep up the good work and we will make a tidy profit.

## Kiwanis helps Clean Up Australia

A team of five turned up at our Adopt-a-Highway for a Clean Up Australia working bee.

As can be seen by the photo, quite a considerable amount of small rubbish was collected.

In one spot, some extremely irresponsible "citizens" had used the roadside to dispose of drink receptacles resulting from a fairly well attended party.

Note: quite a number of the trees we planted are growing along very well.

## District Governor Geoff visits Division Seven

District Governor Geoff Holmes and Lieutenant Governor John Hyde

Saturday evening, 4th March, saw ten of our members join with other Kiwanians and partners from Division Seven to celebrate a visit to our region by District Governor Geoff Holmes.

Geoff spoke of the need for clubs to experiment with change and evolve with the needs of the community.

He said Kiwanis was only very small in Australia compared to Rotary and Lions but there was plenty of room to grow. It is

# Athel's Aspirations

This has been a very busy weekend for many of the Club members. Saturday morning chairs, then on to the Clean up Australia / Adopt a highway project and then on to the district Governor's Dinner at the end of the day.

Paul and I had the privilege to meet the Dist Governor, Geoff Holmes, prior to the dinner at Lt Gov John's place and also meet up with the Presidents and Secretaries of the other Div 7 Clubs.

The following District Governors dinner went well.

Lt Governor John Hyde will be presenting a DVD made by the International Governor at our next meeting.

We all wish Rod W a great holiday in Tassie over the next two weeks

## “Sir”

Kevin Holden was a most entertaining speaker at the last dinner meeting. Kevin Holden is a retired School Teacher who taught for most of his career at the Mooroopna Primary School. As a result, he knows many of the local “lads”, especially those of notoriety.

It was fun listening to the many anecdotes of things that happened in the earlier times in his career when education was vastly different from modern times.

He said one of the greatest changes is the lack of male teachers in the Primary School sector. He said much of this has been brought about by anxiety and fear when dealing with students, especially female. He feels that the lack of that male role model could have a profound effect on behavior and the engagement of boys in primary education.

Kiwanian Keith Hocking thanks Kevin for the entertaining speech

his desire to see Kiwanis in Australia grow by 100 new members this year. There are 32 new members in the District so far this year.

Geoff reminded us of the District's pledge to Heart Kids. He said it was their aim for the District to raise \$60,000 for Heart Kids research this year. This equates to a little over \$1000 per club.

## ANNUAL CLUB ELECTIONS

These will be held on the last meeting of April being the 27th.

Whilst we have a nominating committee of Alex and Louis, it should be noted that any member can nominate for election to the Board of Directors, or indeed, stand for Club President.

The job of the nominating committee is to ensure that we have sufficient candidates to fill the required positions. If more than the required number nominate then we have an election. Please help our nominating committee by putting your name forward.
