

Kroc at the Top Convention Theme Song

“We are Kiwanians”

FIRST VERSE

They came from the Southern chill
The North, the East and West
They gathered for Kroc at the Top
Kiwanis at its best

Great Southern Land and USA
We'll celebrate as one
The common good, to serve the kids,
We're proud Kiwanians

Chorus

*We work as one ... And help so many
In so many lands on earth we've shown
We share their dreams
To help all children
I am ... you are ... we are Kiwanians
(repeat slowly)*

SECOND VERSE

They came with their banners raised
And with a deadly thirst
They came to lead the way ahead
To put Kiwanis first

As leaders from the District now
They ate its greatest fans
The common good, to serve the kids
We're proud Kiwanians

Chorus

*We work as one ... And help so many
In so many lands on earth we've shown
We share their dreams
To help all children
I am ... you are ... we are Kiwanians
(repeat slowly)*

THIRD VERSE

There's Governor Frank and Lady Pam
Darwin through and through
Trustee Fred and wife Pauline
Good friends old and new

We love to serve, we love to sing
And have a lot of fun
We always seek to swell our ranks
We're proud Kiwanians

Chorus

*We work as one ... And help so many
In so many lands on earth we've shown
We share their dreams
To help all children
I am ... you are ... we are Kiwanians
(repeat slowly)*

FOURTH VERSE

We'll go back to our families
When Convention's done
They understand, the time we give
As keen Kiwanians

We'll meet again a year from now
From all the States we'll come
'Til then we'll work to fly our flag
We're proud Kiwanians

Chorus

*We work as one ... And help so many
In so many lands on earth we've shown
We share their dreams
To help all children
I am ... you are ... we are Kiwanians
(repeat slowly)*
